

**Carl Szybalski**  
**September 24, 1926 to December 25, 2015**

Carl is a native of Sharpsberg, PA. He moved to California at age four and has lived here ever since, the last forty some years in Saratoga. He graduated from UC Berkeley in mechanical engineering and then served in the Armed Forces in the Philippines until the end of 1944. He then worked as a mechanical engineer in the design of a variety of sophisticated nuclear devices, primarily at General Electric. He met Joanne while skiing at Sugar Bowl. They have two children. They moved into SRC Independent Living in January 2005, and in 2014 Joanne moved to Assisted Living and Carl to the Health Care Center. Joanne died June 19, 2015.

His hobbies were doubles tennis, fly fishing, aeronautical engineering and airplane design.
